This program is designed to attract small businesses and create retail shopping in downtown Knox. Business owners will have an opportunity to sell and showcase products and services of interest to area residents and tourists.

Applications for rental space in this store will be available online at www.cityofknox.net or you can call the Mayor's office at 574-772-4553.

Applications will also be available at the Open House on March 16th.

The City will strive to provide diversity in our vendor offerings to the public and applications will be reviewed with this in mind. If selected, an agreement will be provided and a location assignment will be made by the City.
